Information About Our Program

The Newington Parks & Recreation Department's Creative Playtime Preschool Program is a play-based, child-centered preschool designed to be a wonderful and enriching introduction to the classroom environment. Our goal is to create a safe environment in which children engage in activities that are hands-on, open-ended, multisensory and meaningful to them. Daily activities include "hands on" play centers for fine and gross motor activities such as school skills, paper, crayon and pencil work and play dough play. Multi-sensory art and music experiences, coupled with imaginative dramatic play centers such as dolls, blocks, and puppets offer creative and imaginative outlets for your child. Help Us Keep Our Programs Healthy

If you or your child are sick, please be courteous to other participants in the program, as well as the program's instructor, by keeping you or your child home until you are feeling better.

For the safety of all of our program participants this season, our instructors will have the right to send any visibly ill participants home from any program at their discretion.

Reasons to Register Early!

Many classes are very popular and people know that in order to get a spot, they need to register early.

But there are also reasons to register early for classes that don't usually fill up. All of our classes are intended to be self-supporting and we must reach minimum enrollment for a class to run. There is a point (usually about one week before a program starts) that a program must be cancelled if there aren't enough people registered. Very often, people register after a program has been cancelled and if they had registered earlier, the program would have run.

All of our programs require a high level of coordination, often including facility scheduling, staffing and purchasing of supplies. So, if there's a program that you or your child are interested in...

Please Register Early!

Attention Class Participants:

Please do not wear your exercise sneakers to class during the winter months. We are trying to cut down on the salt, sand, snow and other ice-melting chemicals that are tracked in on the floors. Besides being a cleanliness/maintenance issue, puddles or sandy spots make the floor very slippery for participants.

Please wear an alternate pair of shoes or boots, then change into your exercise shoes before class.

Thank you for your cooperation!

Indoor Walking

at Mortensen Community Center

Tuesdays, Wednesdays, Thursdays and Fridays*
8:30 - 10:30 AM

(Not available on Monday mornings)

FREE

There will be no indoor walking available when Town Hall is closed.

The Mortensen Community Center Gymnasium will be open for walkers on weekday mornings throughout the Fall, Winter and Spring. All walkers must pre-register for this program. Registration is accepted at the Parks & Recreation office during our normal business hours, Monday through Friday from 8:30 a.m. - 4:30 p.m. Walkers should carry an ID with them at all times. To help us keep the gym floor clean and safe for everyone during the winter months, we ask that walkers wear an alternate pair of shoes or boots outside, and carry walking sneakers in. This will help cut down on the amount of salt, sand and snow tracked indoors.

Walking is a healthy way to exercise and may help you maintain a healthy weight and reduce your risk of some diseases. Just 18 laps around the full gymnasium equals a mile! Bring a friend!

**Walking may be cancelled due to special events, program changes, and/or reasons beyond the control of the Parks and Recreation Department. We will make every attempt possible to keep at least half the gym available for walkers; however, there may be times when the gym is not available. We apologize in advance for any inconvenience this may cause.*
